The world leader in access equipment

Tractel® is a world leading safety specialist providing reliable, innovative and cost-effective working-at-height solutions and services. These solutions are used in many end-user applications, in particular in industrial, construction, energy, telecoms and infrastructure projects.

When you choose Tractel® you'll get:

- Enhanced safety and protection for your employees, whatever your application, industry or geographical location.
- A comprehensive range of products and solutions, combining performance, ergonomics, safety and comfort.
- Global and local sales, service and cost effective after-sales support.
- Excellence and integrity in engineering, manufacturing code, compliance.
- Assured quality and recognized standards.
- Experience and expertise.

Tractel® is a leading supplier of Temporary and Permanent Access Systems across the globe. Our experienced team of engineers and project managers are capable of working with you from concept to installation. With more than 10,000 references worldwide, it's clear that our solutions are built for even the most complex of jobs.

Tractel® BMUs are designed and manufactured to fit any building.

Industry leading solutions provide safe and secure access where and when you need it.

(*) BMU - Building Maintenance Unit.
